**Crime prevention requires strategies and programs that aim to reduce crime before it occurs. What kind of crime prevention services would work or are working in your community?**

**Things to consider:**

- *What programs work well in your community?*
- *What do they do?*
- *Who do they target?*
- *Why do they work well?*
- *What is not working well?*

**What are the challenges to putting crime prevention programs in place for at risk or vulnerable individuals in your community?**

**Things to consider:**

- *Who is at risk or vulnerable in your community?*
- *What have you seen that isn't working?*
- *Why do you think these programs are not successful?*
- *What ways could programs be more effective?*
- *Do you know of other programs that could be useful for your community?*
- *What barriers are there to having successful programs in your community?*

## **What recommendations would you suggest to improve community safety?**

### **Things to consider:**

- *Who should be involved in improving community safety?*
- *Who should crime prevention programs target?*
- *How can we reach the people we want to target?*
